

AMENDMENTS TO THE CLAIMS:

This listing of claims will replace all prior versions, and listings, of claims in the application:

1. (Currently Amended) A milk beverage comprising ~~0.01 to 0.1% by weight of a~~
sucrose fatty acid ester and a polyglycerol fatty acid ester having a cloud point of not less than
90⁰C when measured at a concentration of 1 % by weight in a 20% sodium chloride aqueous
solution containing said ester, wherein the amount of polyglycerol fatty acid ester is 0.01 to 0.1%
by weight and the weight ratio of said polyglycerol fatty acid ester to said sucrose fatty acid ester
is 1:1 to 7:3.

2. (Original) A milk beverage according to claim 1, wherein an ester-constituting
polyglycerol of said polyglycerol fatty acid ester has an average degree of polymerization of 4 to
12, and the amount of unreacted polyglycerol remaining in said polyglycerol fatty acid ester is
not more than 70 % by weight based on the weight of said polyglycerol fatty acid ester.

3. (Original) A milk beverage according to claim 1, wherein a ester-constituting fatty
acid of said polyglycerol fatty acid ester is at least one fatty acid selected from the group
consisting of saturated and unsaturated fatty acids having 14 to 22 carbon atoms.

4. (Currently Amended) A milk beverage according to claim 1, wherein the content of
said polyglycerol fatty acid ester is ~~0.01~~0.025 to 0.1 % by weight based on the weight of said
milk beverage.

5. (Canceled).

6. (Currently Amended) A milk beverage according to claim ~~5~~1, wherein said sucrose
fatty acid ester contains not less than 50 % by weight monoester, and an ester-constituting fatty
acid of said sucrose fatty acid ester contains palmitic acid or stearic acid in an amount of not less

than 70 % by weight.

7. (Canceled).

8. (Currently Amended) A milk beverage according to claim ~~5~~1, wherein the content of sucrose fatty acid ester is 0.03 to 0.1 % by weight based on the weight of said milk beverage.

9. (Original) A milk beverage according to claim 1, wherein said milk beverage is milk coffee or milk tea.
